Resources

CISA's Office for Bombing Prevention (OBP) offers a train-the-trainer on counter-improvised explosive device training. OBP trains and supports private, state, and local trainers to teach pre-determined C-IED training curriculum to their local audiences to increase IED awareness and preparedness. Learn more at the following link or the attached pdf:

<https://www.cisa.gov/bombing-prevention-training> [[cisa.gov](https://www.cisa.gov/bombing-prevention-training)]

FEMA's [Resilience Analysis and Planning Tool \(RAPT\) \[fema.maps.arcgis.com\]](https://fema.maps.arcgis.com) has been updated, and FEMA is hosting a series of interactive webinars to share the news! This RAPT update includes new data layers, improved analysis tools, updated interactive story maps and a brand new [RAPT Resource Center \[rapt-fema.hub.arcgis.com\]](https://rapt-fema.hub.arcgis.com) that contains all of the supporting documents and resources for RAPT.

FEMA will host interactive webinars to provide additional background on RAPT updates, demonstrate multiple capabilities, and answer questions from RAPT users. All webinars will contain the same content and closed captioning will be available.
